8 Carl Alexander Wescott,) Case Number 3:17-cv-05676-LB
9 Plaintiff)
10) NOTICE OF COMPLIANCE
11 ----- versus -----) WITH COURT ORDER
12 SC Anderson, Inc.;)
13 Herrig & Vogt, LLP;)
14 Moe's Process Serving, Inc.;)
15 Defendants)

16
17
18 Plaintiff Carl A. Wescott, proceeding *pro se*, hereby files this Notice of Compliance with
19 this Court's Order of May 21, 2018 by referring to the Court's docket, which shows the
20 Plaintiff's Amended Complaint filed on June 14, 2018 as Ordered by the Court on May 21.
21

22 As Mr Fritz is aware from a Notice of Unavailability served upon him in another case,
23 the Plaintiff left San Francisco on June 8th and will be returning on July 5th. The Amended
24 Complaint was sent from New York on June 12th, with an expected arrival of June 13th, and
25 Priority tracking shows it arriving at the Court on June 14th. It was served upon the Defendants
26 via third-party first-class mail on June 12th, and likely received by Defendants the following
27 week.

1 The Plaintiff apologizes for imposing on the Court and the Defendants with this Notice,
2 but the Court's June 18 Order suggested that there may have been some uncertainty about the
3 Plaintiff's compliance. President Coolidge is famously quoted as saying: "if you see 10 troubles
4 coming down the road you can be sure that 9 will run into the ditch before they reach you and
5 you will have only one to battle with". Without disputing the sagacity of that observation, the
6 Plaintiff will not countenance the slightest doubt about his respect for the Orders of this Court.
7

8 The Plaintiff thanks the Court for the extension of time offered in the Court's June 18
9 Order, but in this case the Plaintiff did not require an extension of time, despite an interlude of
10 international travel. The Plaintiff will do his best to ask for necessary extensions of time before
11 the expiration of Court-Ordered deadlines.

12 The Plaintiff hopes that his Amended Complaint which is apparently in the Docket as of
13 June 14th meets the general filing requirements for District Court complaints and believes that
14 the changes to it solve the Court's issues as raised in SC Anderson's Motion to Dismiss. If there
15 are any deficiencies (formatting or otherwise) the Plaintiff would like the opportunity to correct
16 them.

17
18
19 RESPECTFULLY SUBMITTED.
